Michael Tuchman to Present for REIA on Economic Effects of the 2016 Election

Maggiano's Little Italy, 111 W. Grand, Chicago

November 17, 2016

Real Estate Partner Michael Tuchman will participate in a panel discussion for the Real Estate Investment Association (REIA) on topic, *'Economic Effect of the 2016 Elections on the Real Estate Industry.'*

Experienced real estate professionals will examine the economic effects of these elections on our individual businesses and wealth creation. The panel will review federal tax and regulatory changes proposed, discuss their long term policy outcomes and recommend ways to protect or benefit from these changes.
