Bryan Schwartz quoted in The Environmental Forum article, "The Sustainability Strategy"

February 22, 2011

LP's managing partner, Bryan Schwartz, was quoted in the March/April 2011 edition of *The Environmental Forum* in an article entitled, "The Sustainability Strategy."

"On the topic of law firms maintaining their ability to express their values and support their social and environmental programs despite the suffering economy, Schwartz acknowledges, "Keeping a firm true to its values day in and day out is like being a good parent: it's hard work."
