PRICING CONSIDERATIONS AND OPTIONS:

Currently, most of our engagements are billed at an hourly rate, but flat rates contingent fee cases and alternative fee arrangements for specialized consulting work or components of lawsuits are increasing.

WE MAKE OUR CLIENTS MONEY/ SAVE OUR CLIENTS MONEY BY:

- We make clients money by pursuing claims where they have been wronged and suffered financial or other harm and mitigating the risk of loss of their assets so that they can put those assets to work.
- We save clients money by understanding the client's objective, producing a litigation strategy narrowly tailored to satisfy that objective, and understanding that not all litigation is bet-the-company litigation, and by mitigating the risk of loss from good and bad claims alike.

WHY USE LP'S LITIGATION LAWYERS:

- We offer a range of practical solutions for clients with long and short-term strategies in mind.
- We drill down to the issue, and try to avoid you having to pursue or respond to litigation.
- We have an entrepreneur mindset.
- We plan, we communicate, and we budget. And we stick to budgets.
